## NPA Police Problem Goes to Supervisors; Decision in Month

The question as to whether the unincorporated areas in the southeastern corner of San Mateo County shall be considered as one community or as separate entities was placed in the hands of the board of supervisors Tuesday for determination.

It was submitted as part of the controversy which has caused a sharp schism among residents, the formation of one or two police protection districts.

**Proponents of a proposal that a separate police district, with emphasis on traffic control, be formed in North Palo Alto had their innings before the board of supervisors.**

Two weeks ago the board heard the arguments for and against the formation of a larger police district, embracing the whole Ravenswood area, including North Palo Alto.

Both proposals have been taken under submission by the supervisors. They are expected to render a decision within a month.

Tuesday's discussion of the proposed North Palo Alto police district showed three points of view held by residents:

1. "Traffic control—that's what we want. We agree the sheriff's office is doing a wonderful job on law enforcement." That view was expressed before the board by Charles Dilkes, 215 Chester St., concurring with Arthur Nobbs, who is spearheading the formation of the North Palo Alto Dist.

2. "There are 1800 people in North Palo Alto, 7000 in the Ravenswood School Dist. The 5200 people would not have anything to say about how the police district is run, although it effects our schools. The schools need not only traffic, but also police patrol. Clarence Hynes, member of the Ravenswood School Dist. board of trustees, explained his viewpoint in opposition to the small police district.

3. "We do not need police protection other than the sheriff's office. The sheriff has done a splendid job up to now." William J. Gowans, a real estate man who owns six parcels of land in North Palo Alto, opposed any new police district.

**Although some of the persons who appeared before the board today were not residents, the supervisors decided to hear them.**

Frank R. Reece, 2211 Cooley Ave., East Palo Alto, charged that the setting up of two police districts in the south county area would impede future development.

"There are more districts in East Palo Alto than fleas on a dog," he declared," so why break them up further?"

He predicted that the area in the future could have as many as 30,000 residents.

"One man in North Palo Alto is not going to be adequate in 5 to 10 years," he said.

Leonard Bejma, 330 Willow Rd., charged that the move to include North Palo Alto in the proposed Ravenswood Police Dist. was simply an effort to spread out the cost of the police protection.

"They have more trouble out there in East Palo Alto," he said. "They have the gin mills."

"The reason they want us in so bad is because they want us to subsidize the cost of protecting their businesses."

Antonio Gaudio, South San Francisco attorney representing the North Palo Alto petitioners, submitted a resolution approving the formation of the district. It was taken under consideration.

Nobbs, at the request of the supervisors, explained that more than 50 per cent of the North Palo Alto residents have expressed in writing their support for the formation of the smaller district, and opposition to inclusion in the Ravenswood district.

## Pet Plays Havoc With Man's Plans

William Meehan, 2815 El Camino Real, today complained that because his pet Dachshund has made off with several Tribunes and hid the copies, he has been unable to find out some information he was seeking.

Meehan said that he has about a half ton of paper for a boys' club conducting a paper drive but does not know the address of the boys' group. He said he would like the boys to pick up the paper in the afternoon sometime after 4 p.m.

He said he was also seeking the address of a surplus store in Texas which was selling a "mysterious" gadget formerly made for the government.

## Sanitary Dist. Incumbents Reelected

All incumbents were reelected as members of sanitary district boards in the Menlo Park, North Palo Alto and East Palo Alto districts Monday.

In the Menlo Park Sanitary Dist., which includes Menlo Park, Atherton and some unincorporated terirtory and is the biggest in San Mateo County, 384 voters turned out to return the three incumbents to their posts by more than a two to one preference.

Results in the Menlo Park district were:

| | |
|---|---|
| **William Casey** | 337 |
| **Edward E. Eyre** | 254 |
| **William B. Tyler** | 254 |
| **M. J. van Loben Sels** | 126 |
| **J. Phil Bengston** | 124 |

Small votes were recorded in the East Palo Alto and North Palo Alto districts where incumbent candidates were running unopposed.

Results in North Palo Alto were:

| | |
|---|---|
| **Albert E. Gross** | 38 |
| **Howard Stafford** | 36 |
| **Arthur W. Elliott** | 35 |

Results in East Palo Alto were:

| | |
|---|---|
| **Carroll Damant** | 29 |
| **Collis H. Steere** | 26 |
| **Otto Herbig** | 25 |

Election of the three incumbents in Menlo Park Sanitary Dist. climaxed a campaign in which Van Loben Sels and Bengston challenged the policies of the present board. In a statement issued last week Tyler said he would stand on the board's record.

Dr. Lawrence H. Cook, a member and secretary of the board, had publicly urged reelection of the incumbents so that a "balanced geographical representation" could be maintained on the board. Casey, a plumber in Menlo Park for many years, had been endorsed by all four of the other candidates.

Menlo Park's Sanitary Dist. board will now be composed of Casey, Eyre, Tyler, Dr. Cook and Roy L. Grey, chairman. The terms of Grey and Dr. Cook will expire in 1950.

The North Palo Alto Dist. board is now composed of Gross, Elliott, Stafford, Mrs. Cotopaxa Simpkin and Robert L. Brenton.

Members of the East Palo Alto Sanitary Dist. board are now Damant, Steere, Herbig, Floyd Baker and Frederick C. Dewar.

## Kreutzer Named To VFW Post

Robert E. Kreutzer was elected junior vice commander this week during a meeting of James Lindsay Wilson Post 2310. Kreutzer replaces J. H. McClure who has moved from Redwood City.

Kreutzer is a past commander of Post 1253, San Pedro, and past Fourth Dist. chief of staff. He is also a member of the welfare department staff for San Mateo County.

Following the election, those present saw the technicolor film "The Fighting Lady," shown by Sgt. Robert Estes of the U. S. Marine Corps Recruiting Station here.

Cmdr. P. C. Kirk announced that veterans are to assemble at the fiesta, friday, to march in observance of VFW Day. Assembly time is 7 p.m., and all those wearing VFW caps will be admitted without charge.

## Diamond Ring, $18 Stolen in RC

The burglar who snitched a diamond ring and $18 in paper money from some pants he obtained at 118 Grand St. by going in a window, had better not get nabbed by the police.

Those pants belong to Sam Shasky, a Redwood City bail bonder, and he says he most assuredly will not put up bail if the burglar is ever caught.

The burglary took place last night while Shasky was asleep in a rear bedroom. The pants were left hanging on a tree limb outside his window.

## Apprehend Girl, 9, For False Alarm

A 9-year-old girl was apprehended by Redwood City firemen last night after they answered a false alarm at 4:45 p.m. at the Hoover School.

Fire Insp. Richard Drivon pointed out that such false alarms are dangerous because they force firemen to risk their lives. Yesterday the Redwood City department moved five pieces of equipment at high speeds to answer the false alarm during a time of day when the highways were crowded.

## RC Rotary Club Hears Hardy Discuss National Guard Plans

Assurances that Redwood City will get the first new armory in Northern California, if not in the entire state, were given members of the Rotary Club Tuesday by Brig. Gen. David P. Hardy.

General Hardy is commanding officer of the 112th Anti-Aircraft Brigade of the National Guard in California.

Hardy, at his speech at the Rotary luncheon meeting at Ramor Oaks, outlined the history of the Guard in California and told of the first "New Guard" encampment this summer with 12,000 officers and men attending.

**He explained that the Guard here has been planned on the basis of two divisions—one in Northern California and one in Southern California—with an eventual complement of 43,000 troops. At present there are 18,000 enlisted within the state which must be lowered to 12,300 for the framework needed.**

He told about the Peninsula's 681st Automatic Weapons Battalion and the plans to activate two new batteries.

Hardy, a California graduate and classmate of Gov. Earl Warren, is the father of Jim Hardy, member of the Olympic Championship California crew this year.

The speaker was introduced by Pres. Brooke Halsey who is also commanding officer of the Peninsula Guard Battalion.

Guests included R. L. Spangler, E. W. Butler, Clyde Ogden, and Keith Cole.

## Boy Falls 75 Feet Into Quarry

A 10-year-old Hillsborough boy was in Mills Memorial Hospital today suffering from head injuries sustained when he slipped and fell down a 75-foot quarry on Crystal Springs Rd., Hillsborough, yesterday.

He was identified as Allen Cathcart, of 224 Ridgeway Rd., Hillsborough. Hospital attendants said today his condition was "satisfactory."

Hillsborough police said the boy was playing with another, tossing rocks down into the quarry—owned by L. C. Smith—when he slipped and fell down the face of the quarry wall.

The other boy—Kirk Prindle, 8, of 865 Culebra Rd., Hillsborough—was playing at the bottom of the quarry and was not hurt.

But the Cathcart child had been standing on the rim and lost his footing, according to police. He slid about half of the 75 feet, then his head struck a rock and bounced him off the wall, so that he fell the remaining distance.

Police said it was "very fortunate he's still alive."

A neighbor was notified by the other child, and police responded and took the boy to the hospital in a patrol car.

## Broadmoor Village Wants County Aid

Broadmoor Village, Colma, wants the county government to help it purchase recreational facilities for the district's children.

In a letter to Arthur V. Swift, chairman of the County Recreation Commission, the Village Property Owners Assn. asks the county to consider assisting the subdivision in acquiring:

A volleyball court, horseshoe pits, play apparatus for small children, ping pong tables, softball equipment, basketball backboards and the services of a part-time recreation director.

The village, according to the letter has been in existence for more than two years. Eight hundred homes are occupied. Nearby Garden Village has 150 homes occupied.

There are no recreational facilities in the area, the letter says.

County Clerk William Augustus puts the matter on the agenda for the Sept. 28 meeting of the board of supervisors.

The letter was written by Claude E. Hanrahan, recreation chairman of the association.

## Sea Scout Ship Needs Some Help

The Belmont Sea Scout Ship, the "Belmonster," last weekend set out on an overnight cruise, but the trip took two days with the "Belmonster" being towed most of the way because of fuel difficulties.

According to Skipper D. R. Sears, the ship left Belmont Harbor last Friday night, but developed fuel trouble off Coyote Point and was towed to San Francisco by the Coast Guard.

The next morning the San Mateo Sea Scout ship towed the Belmonster back down to San Mateo Bridge and from there the ship was towed back to Belmont harbor by the Standard Dredging Co. tugboat Gatoon.

Taking the trip were Frank Cowden Jr., Peter Ward, Raymond Langlan, Dan Hegarty, and Jock Sears.

## Manslaughter Charge in Death

A manslaughter complaint was issued today against a San Francisco taxicab driver whose vehicle was involved in the accident which resulted this week in the death of Joseph Pecoraro, 21-year-old Half Moon Bay bridegroom of a week.

Justice of the Peace E. I. McAuliffe issued a warrant for the arrest of Harold B. Dennis, 53, after California Highway Patrolman Henry Edwards signed the manslaughter complaint.

Bail was set at $1000 cash or $2000 bond.

Mr. Pecoraro, a hod carrier, died in Community Hospital yesterday of a skull fracture suffered last Thursday evening. He had been unconscious since the accident.

According to Officer Edwards, Dennis was driving his cab north on Coast Hwy and it ran off the road on a curve a half mile south of Moss Beach.

The taxi's wheels ran into a rut, Edwards said, and in driving the cab back onto the highway, Dennis lost control. The taxicab crashed into Mr. Pecoraro's southbound car.

Mr. Pecoraro is survived by his widow, Beverly, whom he married a week before the accident.

## Menlo Park School Plans Told Board

A negotiated sale of a site for a new elementary school in the Western district may be consumated in the near future, Supt. Melville Homfeld told the Menlo Park school board this week.

Homfeld said he was in the process of negotiating with Jerome Politzer, attorney for the Menlo Investment Co., which owns the site at Santa Cruz Ave. and Elder St. chosen by the school board. Purchase of the site was approved by the City Planning Commission on Sept. 13.

Purchase of a two-acre lot addition to the Fremont School is also a possibility in the near future, Homfeld reported. The property is owned by G. Kapin of 1100 Middle Ave.

Arthur Janssen, architect for the Encinal School, reported on construction progress at the school and discussed the matter of color schemes for the interior, for tile, and for floor coverings. The matter of planning the new Western district school was also discussed, although no definite decision was made as to the employment of an architect.

The teaching contract of Max Gelber, instrumental music teacher, was increased so that beginning instrumental music can be offered in each of the elementary schools rather than just one.

Homfeld reported that enrollment as of yesterday in the district was 800, compared with an average daily attendance of 670 last year. Of the 800 pupils, 270 are in the kindergartens and first grades.

The board decided to offer a new teaching contract to fill a vacancy created by the extremely large kindergarten enrollment.

## Pedestrian Killed In North County

A 58-year-old pedestrian was struck by a car and killed last night as he crossed El Camino Real, at the entrance to Buri Buri, South San Francisco.

Dead some 15 minutes after he was taken to South San Francisco Hospital was William Harvey, whose address was given as the Del Monte Hotel, Del Monte.

According to South San Francisco police, he was struck by a car driven by Frank Albert Lachine, 36-year-old salesman, of 290 El Camino Real, Millbrae.

Police said Lachine was driving north at about 30 miles an hour, when Harvey walked in front of his car. Lachine was not cited.

Harvey was described by police as a "vagrant."

His body was taken to the Nieri Funeral Home in South San Francisco, where funeral arrangements are pending.

## SC Industrial Group Airs Plans

The Industrial Committee of San Carlos, reactivated after two months, this week studied plans for the cloverleaf approach to San Carlos from the proposed new Bayshore Freeway.

A blue printed plan presented by Ben Tanklage calls for the approach to enter El Camino Real at Terminal Way instead of the previous plan of placing the cloverleaf at Holly St., the present approach to San Carlos from Bayshore Hwy.

The Terminal Ave. approach would be across unimproved land, thereby eliminating the necessity of widening Holly St., the moving back of the homes on the street and the increase of heavy traffic in the residential area.

Since the inception of the industrial committee the group has conducted a survey of the traffic, payroll, taxes and other statistics.

One of the group's major accomplishments was the improvement of the Brittan Ave. crossing now under way. The narrow and steep-graded crossing will be made into a four-lane, well-graded crossing.

One of the present problems confronting the committee is the improvement of County Rd.

There are 60 members from small and large industries on the industrial committee.

## Five From Menlo Park At Long Beach Parley

Five Menlo Park officials are attending the convention of the League of California Cities this week in Long Beach.

Those attending are Mayor Charles Burgess, City Mgr. Cecil L. Longson, Councilman Vernon Barker, Recreation Director Mel Kendall, and Building Insp. J. D. Steiger.

## EPA Mother Leaves Children With Baby Sitter, Disappears

A young East Palo Alto mother, Mrs. Noel Harrison, left her three small children in the care of a baby sitter Sunday morning and started—alone—for San Francisco.

She said she would be back by 8 p.m. that night. But she hasn't returned yet.

According to the baby sitter, Mrs. Mabel Warren, 558 Lincoln Ave., Palo Alto, Mrs. Harrison said she was going to "the Golden Gate," and Mrs. Warren assumed she meant the Golden Gate Theater.

**But Asst. Probation Officer Anthony Lovoi, who brought the children to the county juvenile home in Redwood City Tuesday, said she might have meant Golden Gate Park.**

**"Or," he said, "she might have meant the bridge."**

Lovoi was called into the case last night by Mrs. Warren, who had stayed with the children continuously since their mother left Sunday.

When he went to the Harrison's home at 1505 Bayshore Hwy., he found a telegram, sent last Friday, lying open on the dresser in the bedroom.

Written by the mother of Mrs. Harrison's husband, Noel, it said, "Noel back in navy. Destination unknown."

Lovoi learned that the couple had been married Dec. 20, 1947. his marriage, had been discharged and then recently had decided to reenlist.

There were no pictures of him in the house.

But there were photographs of Mrs. Harrison and the children, a 4-year-old boy, a girl, 2, and another son, Chris, 3 months.

Mrs. Harrison, whose maiden name, according to records on file in the county courthouse, is Joan Ruth McDevitt, worked for her parents, the owners of the Fat Boy Barbecue on Bayshore Highway in East Palo Alto.

**The sheriff's office, notified of her long absence late yesterday, promptly sent out a "missing person" bulletin and asked San Francisco police to make a check of their jails and emergency hospitals.**

Mrs. Harrison was described as follows:

Twenty-four years old. Height: Five feet 6 inches. Weight: 140 pounds.

When she left home Sunday, according to Mrs. Warren, she was wearing a black dress and black suede shoes.

Mrs. Warren said she saw Mrs. Harrison get on a local bus, just before noon, bound for the Palo Alto Southern Pacific depot.

Then she disappeared.

Harrison, he discovered, had served as an enlisted man in the navy for about 10 years prior to

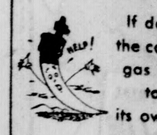
New gas-packed pipe carries huge voltages under city streets

**On busy San Francisco streets** motorists soon will be driving over 110,000 volts. They won't know it, of course. For the tremendous voltage will be safely transmitted in a new underground power-carrying cable, with a new insulating feature ...nitrogen gas held at 200 pounds pressure within a heavy steel pipe jacket. Pacific Gas and Electric Company crews are rushing construction of the first eighteen miles of this new underground cable in San Francisco. It is just part of our program to bring you an ever-improving electrical service.

**More power than ever** before can be carried underground in this cable. An outer coating of a mineral compound protects the pipe against moisture. The actual insulating job is done by oil-filled paper cable wrappings reinforced by the nitrogen gas under pressure.

**"Filling stations"** load the nitrogen in the protective pipe . . . and the cable is ready to transmit electricity underground safely. It's another example of how P. G. and E. uses the most modern means to deliver more power to the homes, farms and factories of California.

FOR THE RECORD



If damaged, the cable loses gas pressure to send its own SOS...

P. G. and E. is adding almost two million new horsepower of electric capacity...

It's the nation's greatest power construction program.

# Ruth Melendy Addresses First Meeting of Arundel PTA

"Construction was started on Aug. 31 on the new Arundel School," was Miss Ruth Melendy's opening remark recently at the Central School gym as she spoke on her topic "The Story Behind the School Structure."

The superintendent of San Carlos schools was addressing the first meeting of the Arundel PTA unit of the school term. She added, "there will be 15 classrooms, an office, lavatories, clinics, storage and workroom. Present plans are to include kindergarten through the sixth grades.

She then expressed the hope that the building would be completed and ready for occupancy by Jan. 1, 1949.

Miss Melendy gave a history of school bonds in San Carlos from 1928 to December 1947, pointing out that school enrollment had increased from 314 in 1938 to 1875 in 1948 and is still increasing.

She explained school structures were financed either by selling of school bonds or the establishment of "pay as you go" programs, San Carlos has used both of these methods.

In regard to possible needed further expansion of present school buildings, Miss Melendy said, "We did not qualify for participation in the funds set aside in the state budget for emergency aid to the various school building programs, however as the necessity arises, we shall make additional efforts to secure assistance from state funds, if we have to go to Sacramento after it."

With respect to double sessions Miss Melendy informed the group "there is no prospect of going off double sessions at present, unless we get state aid."

Mrs. Myron Greenlee, president of the Arundel Unit, assisted by Mrs. Paul Offill, program chairman, Mrs. Robert Nordness, treasurer and Mrs. Robert Farina, adult education chairman, outlined the scope of budget requirements, contemplated programs and other activities for the school year of the Arundel group.

The teachers introduced were the following: Miss Wilma Rockman, principal, Mrs. Irene Kendall, Mrs. Pearl Hunter, Miss Mary Platt, Miss Jessie Alford, Miss Joan Haggard, Miss Patricia Meiss, Miss Eleanore McConnell, Miss LaVerne Jackson, Miss Elizabeth Turner, Miss Helen Honsberger, Miss Betty Steward, Mrs. Emily Bishop, Mrs. Eleanor Cooper, Mrs. Francis Venn and Miss Doris Mosher.

# Hoover School Mothers' Club Holds First Meeting of Year

Mrs. Kay Pierog, school nurse, was the guest speaker at the first meeting of the Hoover School Mothers' Club Tuesday evening at the school. Mrs. Edward Robins, president, presided at the meeting.

Mrs. Pierog explained the immunization program for the fall and spoke of the sight and hearing tests given at the school. She also informed parents of the availability of a full time psychologist and of lip reading classes.

Following her talk, the following teachers were introduced to the group: Mrs. Lydia Harris, kindergarten; Mrs. Deloris Tenneson, first grade; Mrs. Lauretta Rockwell, first grade; Mrs. Ethel Fain, second grade; Mrs. Ethel Jacoby, second grade; Mrs. Emily Bernard, third grade, and Mrs. Rosemary Contan, fourth grade.

Ben A. Leese, principal of the school, spoke a few words of welcome to the group and reported an enrollment of 407 regular students and 60 kindergarten students. He pointed out that this year's enrollment exceeds that of last year by almost 100 pupils. Shift classes in three grades will continue until additional classroom space is available, he added.

John Quinn was present and announced that work on the recreation building would begin on Sunday morning.

Mrs. Homer Gadow, ways and means chairman, reported on the Fall Festival which will be held on Nov. 19.

It was announced that a membership contest is being conducted and will end at the November meeting. In connection with the contest, it was decided that guest night would be held at the October meeting, and every member was asked to bring a neighbor to the meeting.

Mrs. Tenneson's room won the monthly attendance prize.

Mrs. Geraldine Lintt was elected to replace Mrs. Audrey Thorup as corresponding secretary.

Acting as hostesses to the group were Mmes. Mary Norris, Emily Chell and Geraldine Lintt, assisted by Pnyllis Robins.

## Temple Beth Jacob Holds Sabbath Services

Regular Friday evening Sabbath services will be held at Temple Beth Jacob, 690 Creek Dr., Menlo Park, tomorrow at 8 p.m.

Rabbi Abraham Haselkorn will conduct the services and deliver the sermon, "Are Our Children Ours."

Saturday morning Sabbath services will be held at 9:30 and services for Selichot will be held on Saturday at midnight.

All children who were unable to register for Sunday school may do so on Sunday morning before the regular classes begin, Rabbi Haselkorn announced.
